MOUNTVILLE MILLS CONTINUES THE CHROMOJET EXPERIENCE

In 2016, Mountville Mills (USA) continued the **CHROMOJET** experience by purchasing another **CHROMOJET.PRINT LINE** for unbacked Roll-to-Roll Carpet made of PES or PA carpet.

The print line is laid out to print on PES with high temperature fixation. It is also possible to print PA with saturated stream fixation. The maximum carpet width is 2200 mm (87 in.) and a line speed of 0.5 to 5 meters (0.5 to 5.4 yards) per minute at 76 dpi.
