With production sites in [Klagenfurt](#) and [Kufstein](#), **ZIMMER AUSTRIA** is a worldwide leader among the producers of machines for textile and carpet finishing (digital printing systems, flat screen and rotary screen printing, coating systems, steaming, washing, drying).

**ZIMMER AUSTRIA** reaches even the most distant markets and supplies all around the globe owing to a strong and well-developed agent network.

**ZIMMER AUSTRIA** offers all elements out of one hand:

- complete lines
- high-quality and reliable control systems as well as software
- complete process and application know-how
- service and support

## „First in Quality" and „First in Service"

**ZIMMER AUSTRIA** has been committed to this motto constantly for more than 150 years. A lot of inventions, innovations and improvements for the textile printing industry have been accomplished by Zimmer during this long and successful period.
